LUYOLO PALISO

UI DESIGNER
WEB DEVELOPER

Over the past few years, I have steadily found my feet in the tech industry, from taking on internships, to having my own start-up in order to fulfill my vision. My self-starter traits allow me to hit the ground running and to be adaptable in any environment I walk into, which makes me a valuable asset to any team I am a part of.

WORK EXPERIENCE

MAR 2021 - PRESENT

GRAPHIC DESIGNER - MISSION HOLDING GROUP

In this role as a Graphic Designer, I have the following responsibilities:
• Print & digital design • Real estate photography • Video editing • Management of WordPress sites • Management of Facebook Ads.

My daily tech stack includes Adobe Photoshop, InDesign, Illustrator & XD.

2020 - 2021

FREELANCE UI DESIGNER/WEB DEVELOPER

From the beginning of 2020, I took a leap of faith and started my own business in which I offered my services for creating websites for small to medium sized businesses. The decision to explore the world of freelancing has also helped me a great deal in expressing my skills at my own capacity, such as; time management, client engagement, documentation skills and effective communication.

On top of being a self-starter, I am also a fast learner. With the right approach, I can pick up on new trends & methods quickly and implement them with my own twist. I am a good communicator, which allows me to receive constructive criticism in order to better my skills and myself personally.

WORK EXPERIENCE

2018 - 2019

WEB DEVELOPER -
COMPUTER SCIENCE SOFTWARE (PTY) LTD

As of November 2018, I took up the position of Intern Web Developer at Computer Science Software (Pty) Ltd. Tasks included:
• Redesigning the company's website with modern user interface capabilities and functionalities • Creating an HTML/JSP based help section in the company's proprietary software suite • Creating interactive video guides for new clients on how to use the company's software suite
